Sdgs Group "Menikaru"!

What is Rakugo?

Rakugo is a traditional Japanese One-man theatre show from the Edo period.
A sole performer plays several different characters using only very a paper fan and a hand towel as props.
The stories range from comedy to dramas and sometimes tragedies.
Only two props are used, a paper fan and a hand towel.
The stories are set in the Edo period of Japan, roughly 300 years ago.
