- The monthly payments of rent will be deducted from residents' Japanese bank accounts.
- If a bank deduction fails, the rent must be paid at a convenience store using a payment slip provided by TIEC.
- The key money and the rent for the first and last partial months of the residence must be paid at a convenience store using a payment slip provided by TIEC.

In that case, a delay of up to 1 month is allowed. If it is not possible to move in by the date indicated in the request, both the applicant and the person who will live with the applicant will lose eligibility as residents.
